**RE: Report of Aggregation Fees June 2010 – May 2011**

Dear Mr. Camacho,

The TASB Energy Cooperative (the "Cooperative") is providing the following report of fees received by your district or entity during the last contract year. The Cooperative is providing this information to assist your district with its compliance with Section 44.0331 of the Education Code, which states:

A school district that enters into a purchasing contract valued at \$25,000 or more under Section 44.031(a)(5), under Subchapter F, Chapter 271, Local Government Code, or under any other cooperative purchasing program authorized for school districts by law shall document any contract-related fee, including any management fee, and the purpose of each fee under the contract.

The Interlocal Participation Agreement executed by your district allows the Cooperative to collect an aggregation fee of \$0.0015/kWh. These fees compensate the Cooperative for the services and functions performed under the Interlocal Participation Agreement and enable the Cooperative to pay the administrative, endorsement, licensing, marketing, and other expenses involved in successfully operating a cooperative program.

<b>Total Usage (KWh) June 2010–May 2011</b>	<b>Total Aggregation Fees Paid June 2010–May 2011</b>
